910	Until Jan. 2011 With Payments/Deferred Interest	2.00%	10.50%

Payment Information: Standard Plan

Monthly Payment = 2% of the highest stated balance, or \$30, or Finance Charges, Late Payment Fees and Over Limit Fees plus \$20, whichever is greatest. It is recommended that you quote 2% of the highest statement balance plus \$20. For example: $(2\% \times \$5,000) + \$20 = \$120$ (this assumes that highest stated balance is always \$5,000 or less and that the sum of [Finance Charges + Late Payment Fees + Over Limit Fees + \$20] does not exceed \$100).
